

Erin McLaughlin

My name is Erin McLaughlin, I am 18 years old and currently a sophomore at University of Michigan-Flint. I graduated from Morley Stanwood High School in 2013. In high school I played the clarinet in our concert band, I was the color guard captain during marching band, a part of drama club and had the lead role in my last play, and was a member of the National Honor Society. Outside of school I was a camp counselor and also the treasurer of the Mecosta County 4-H Teen Club which is a community service group in my area. I also dual enrolled through Mid-Michigan Community College and by the time I graduated high school I had a semester of college completed. After high school I started school at University of Michigan- Flint with a major in Psychology with a minor in business. Here at the university I am a member of Psychology Club as the newly elected philanthropy chair and also a member of Campus Activities Board (CAB) on the CABLive! committee. After getting my bachelors degree here I plan on furthering my education and my goal is to obtain a PSYD (doctorate of psychology) in clinical psychology then find a job as a clinical psychologist, hopefully in Michigan.
